

## Danielle A. Matie

Partner | Richmond

804.622.1120

dmatie@hccw.com

An experienced trial lawyer, Danielle advises and represents individuals, professionals, businesses, and insurers in a variety of civil cases pending in Virginia's state and federal courts. She focuses her practice on matters involving transportation, trucking, and motor vehicle liability; restaurant and retail liability; products liability; commercial disputes; malpractice claims; and other civil issues. Danielle has extensive experience in all phases of litigation, from pre-suit investigation and discovery management to dispositive motions and trial, as well as in various forms of alternative dispute resolution.

## Publications

- The Journal of Civil Litigation – *Constructive Service via Statutory Agent: Please (Strictly) Comply!*, Vol. XXXIII, No. 2, Summer 2021

## Representative Experience

- Successful in vacating three default judgments totaling \$1.63 million arising out of a contested liability, double-fatality motor vehicle collision.
- Obtained dismissal with prejudice in federal court of \$10 million wrongful death case where a tree fell onto a mobile home, killing a minor. The Court held that Plaintiff did not allege any common law or statutory duty upon which relief could be granted against the defendant mobile home park.
- Obtained jury verdict for less than half of plaintiff's \$600,000 in medical bills in admitted liability auto accident case with some uncontested bills.
- Obtained a defense verdict following jury trial in favor of driver in negligence action.
- Obtained a jury verdict for less than amount of claimed medical bills in a clear liability auto accident case where the bills were uncontested.
- Represented a driver in a negligence action with allegations of significant kidney damage in motor vehicle accident resulting in a favorable settlement prior to trial.

*The cases referenced above do not represent the lawyer's entire record. Each case must be evaluated on its own facts. The outcome of a particular case cannot be based on past results.*
