THE CIVIL LITIGATION FIRM

Professional Liability

Harman Claytor's Professional Liability Practice Group takes pride in our proactive and discreet handling of professional liability cases. Our clients' confidentiality and reputations are foremost in our minds as we aggressively and creatively approach the defense of these cases. We understand the importance of strong expert testimony and robust dispositive motions practice and are experienced in selecting and working with experts to conclude cases efficiently.

We represent a wide array of professionals, including:

- Attorneys
- Insurance Agents and Brokers
- Title Companies
- Architects, Designers, Builders and Construction Managers
- Accountants
- Directors and Officers
- Daycare Providers

We work collaboratively with you every step of the way, pursuing your desired outcome with prudent legal guidance.
